THE TOPICS MISSION

The mission of *Topics* is both durable and simple: it is to market The Toledo Club to the membership and the public. In assigning stories, our primary criteria is relevance—to the Club, its members, and/or to the arts and culture of the community.

THE TOLEDO CLUB MISSION

The mission of The Toledo Club, since 1889, is to enrich the lives of its members by providing a luxurious private Club experience in a financially responsible manner with extraordinary social and recreational activities that foster friendship, fellowship and pride among members.

President's MESSAGE

Greg Wagoner, President
419-241-9000 | gwagoner@shumaker.com

Fellow Members,

I hope everyone's summer is off to a great start!

It has been a busy stretch at the Club. With Governor DeWine's lifting of the COVID-19 restrictions, the Club has returned to normal business activity. We had a great crowd at our welcome-back Patio Dinner on June 24 — it was great to see so many members enjoying the Club. Our First Tuesday and ZIPZ Dinners are also back in full swing and have seen increased participation each month.

I also want to take this time to welcome Matt Sayre and Kathy Nusbaum to the Club. Matt has quickly immersed himself in the Club and, as our new executive assistant and

Matt Sayre

Kathy Nusbaum

membership coordinator, has become a critical part of the team. Kathy is our new catering manager and has done an outstanding job of guiding us through our busiest stretch of weddings in several years.

More than anything, I want to strongly encourage all of you to utilize the Club.

Ed Mackiewicz and the rest of the team have done an exceptional job of tackling the challenges of the past year. The Club is poised for significant growth. But we can't do it without you. Please make sure to take advantage of the Club's offerings—and make sure to bring a friend.

I also want to thank the entire management team and Board for their hard work and tireless dedication to the Club. As we exit one of our most challenging stretches, the Club finances are strong and we are poised for growth.

Christian Piazza and Ryan Miller have been working hard to introduce some exciting membership incentives. We expect these to be introduced in the coming weeks.

Eddie Charlton has also steered the Athletic Department over the last year and is bursting with new programs. Please make sure to take advantage of these initiatives.

Finally, please mark your calendars for the Party in the Parking Lot on July 23. Tom Baird and the entire committee expect this to be the best one yet.

See you at the Club,

Greg

ROTARY CLUB OF TOLEDO: DEFINING SERVICE ABOVE SELF

The pandemic forced the members of the Rotary Club of Toledo to meet virtually for over a year. On June 7, they returned to their in-person meetings hosted at The Toledo Club. This month we highlight this historic organization, their history and their impact on our community.

organization would show the way both nationally and internationally for the handicapped. Toledo had established itself as an industrial city and Toledo Rotarians comprised the majority of leadership. All the member Rotarians and their companies made Toledo the auto parts capital of the world. Therefore, Charles Turner felt that the beginning focus of the group should be toward business and business contacts that will "encourage and foster the ideal of 'SERVICE' as a basis of worthy enterprise." A Rotarian pattern was beginning to be established because, there again, is the word "SERVICE."

The Rotary Club of Toledo is the 10th largest Rotary club in the WORLD. Rotary International has a club membership of 1.2 million members and 35,000 individual clubs, and the Rotary Club of Toledo ranks 10th largest. They're also proud and excited to be part of The Toledo Club. Their office is on the 5th floor and they held their first 'in-person' meeting in over a year on June 7 in our Founders Dining Room! Toledo Rotarians have spent more than 300,000 minutes viewing exceptional programs in Zoom meetings since the pandemic's onset.

The Rotary Club of Toledo was organized May 3, 1912 by Charles Turner (pictured below in an early Rotary publication). He had heard of Rotary from friends in Cleveland and Detroit. Little did he know that this Toledo

Little Stories About Big Rotarians

No. 2—CHARLES TURNER, President and Treasurer The Masonic Truck & Storage Co.

(These little stories appearing each week will make you better acquainted with your fellows and bring you closer to them. Read them each week.—Editor)

I remember it as if it were yesterday. It was just two years ago now. Headquarters had notified me that Charles Turner was one of five men in Toledo who had heard of Rotary and were interested in it. I stepped into Mr. Turner's office. He greeted me with business courtesy, but you could hardly call it a casual affair. I mentioned my business. A smile spread instantly, and we were soon perfectly at home with each other. In five minutes Mr. Turner had Hiett, Hardy, Gleason and John Lewis of the Lion Store on the phone and the first meeting was arranged for. So, in Charles Turner's office two years ago Toledo Rotary was started on its way.

I would never think of calling Mr. Turner Charlie at a Rotary meeting. In spite of a fine hanging over my head, but a fellow can take a lot of liberties as editor and get away with it. Anyhow, I'm not going on all through this story with a lot of "mister's." It really wouldn't do for a Rotary story.

Charles Turner was born on a farm outside of Detroit, MICH. He attended Detroit public schools, going five miles every day. Unlike the thrilling stories of so many successful men, I can not write that as hard as he an education that he walked, for he says that every school day for twenty-one years the Turner family hazy went back and forth, taking the children to and from school. After finishing school Charles absorbed a business college course. At 17 he plunged right into the work in which he has been engaged ever since, going to work for E. H. Marton. This happened on Saturday, June 5th, 1893. Now that was just nearly 24 years ago, and as Charles admits that he was 17, the rules of mathematics indicate, in spite of his white hair, that Charles isn't a mill over 31 years old, so I guess calling him Charles isn't so bad after all.

Two years later the company was incorporated and Charles took some stock and was elected secretary. In 1895 he thought Toledo looked pretty good, and, covering his financial interest with the Detroit house, he and Mr. Marton formed a partnership and began business here. In a year, a brother of Charles's came in and the business assumed three owner proportions. In 1899 it was incorporated, Mr. Turner being elected President.

A. M. Donovan
THE TOLEDO FUEL CO
Smith & Bros. Typewriter

Toledo Rotary Club President Alex Due and Executive Director Kathy Tate share a light moment before the June 7 in-person meeting in the FDR.

More than a hundred years ago, a movement for disabled children, touching nearly every country and person in the world, began with a severely disabled 14-year-old boy, Alva Bunker, and the Rotary Club of Toledo. Alva had been born with severely deformed arms and legs. He was found pushing himself through alleys on a board with skates. Rotary sent him to Detroit where his useless legs and arm were detached, and he was fitted with prosthetics. He eventually found a career as a car driver and credited Rotary with "saving my life."

Because handicapped children in those days brought shame on a family, the school system did not allow children with disabilities to enroll. Toledo Rotary formed the first school for crippled children. With the success of Alva, Toledo Rotary had now found their definition for "SERVICE" and it would be crippled and disabled children. They placed their school for the disabled in the Toledo Manual Training School building downtown.

The definition of "SERVICE" was solidified at the Toledo meeting of the Ohio Rotary chapters in 1920. Even though the scourge of polio struck randomly and frequently, no uniform services were available for help. The Ohio Association of Crippled Children was formed here in Toledo by the Rotary Club, and the "Ohio Plan," conceived by Toledo Rotary and Edgar Allen of the Elyria Chapter, was passed. All Ohio Rotary clubs were asked to donate \$1,000 a year (a huge sum in 1920) toward these efforts. They also directed legislation to help with expenses. In 1934 the organization began selling the familiar "Easter Seals" and eventually took the name in 1967 of "The Easter Seal Society." The combination of all these Rotary Club of Toledo

efforts began a national and international effort for disabled children that continues today. With the advent of a vaccination for polio, Rotary's goal of internationally eradicating polio from the earth touches humanity worldwide, and success in this goal is very close.

The charitable fund, the Toledo Rotary Club Foundation, was established in 1915. Today, the Toledo Rotary Club Foundation, a private, stand-alone corporation—serves as the primary charitable arm of the Toledo Rotary; contributions to the foundation are compiled in an eternal endowment fund from which funds for the Club's grants are drawn upon each year. The RCOT Foundation provides more than \$200,000 annually to local and international 501c3 non-profit organizations.

So, we end with the amazing fact that more than 110 years ago the Rotary Club of Toledo contributed to a worldwide movement that currently involves 32,000 Rotary Clubs, whose primary avenue of "SERVICE" is helping those less fortunate. Rotary International is the largest NGO (Non-Governmental Organization) in the United States. Their motto, "Service Above Self," has been a 110-year journey redefining the word "SERVICE." What an encompassing journey it has been!

For information about joining Rotary Club of Toledo, contact Kathy Tate at 419-241-7060 or ktate@toledorotary.org. 

TOLEDO ROTARY'S CENTENNIAL PROJECT GAVE BACK TO THE COMMUNITY

The Rotary Club of Toledo's Centennial Project was a fund-raising effort that resulted in the largest single contribution to the Toledo community in the club's history. On May 3, 2012, Toledo Rotary presented a check to Metroparks of the Toledo Area for \$300,000 to build a public pavilion (that became known as the Rotary Roundhouse) in the Middlegrounds Metropark in downtown Toledo. The pavilion's ribbon-cutting in 2016 is shown at right.

Many other area clubs and organizations meet regularly at The Toledo Club. Here are just a few:

The Boulé

Founded in Philadelphia in 1904 by Henry McKee Minton and a small group of his colleagues, Sigma Pi Phi Fraternity (The Boulé) became the nation's first black Greek-letter fraternity for an expanding professional group of black citizens that needed social and proficiency support. Prerequisites of the fraternity were: "educational and professional achievement, commitment to addressing needs in the black community, congeniality, cultural compatibility, and the potential to engage in good fellowship." This local chapter has prioritized its attention on social action and education. The Boulé, with the exception of during the pandemic, has met monthly at our Club for over 20 years. Boulé membership is by invitation, and the president is Mallory Williams.

The Press Club of Toledo

The Press Club of Toledo was established in 1972 to promote the advancement of ethical journalism and foster relationships among representatives of the media and those they cover. It was originally

PRESS CLUB OF TOLEDO

located in downtown Toledo as a restaurant, bar and meeting facility. When it closed, the Press Club of Toledo Board of Directors began to meet at other locations. For over 20 years the Board has been meeting at The Toledo Club, which provides a private place to gather and discuss business over lunch. The Press Club of Toledo's mission is: to provide the community with an understanding of the role local media play in their lives; to educate, develop and connect professionals to each other and the community at-large; and to support and recognize the impact of journalism and communication strategies. Professionals and students in PR, marketing and journalism are encouraged to join at toledopressclub.com, or contact Executive Director Kathy Jex at pressclub@bex.net.

The Symposium

The Symposium is an informally organized local group of physicians who have been meeting at The Toledo Club since 1983 for socialization, dinner and a host-organized discussion. In contradistinction to Plato's account of The Symposium, "the only

stipulations are that the topics of discussion may not be medical, the attendees do not have to recline and the wine does not have to be diluted."

The Symposium meets monthly on the third Thursday of the month from September through June. Membership is restricted to physicians and is by invitation.

Business Network International

BNI (Business Network International) is a professional networking organization. This chapter was organized by Toledo Club member Kevin Carmony in 1991, and is built on the philosophy of "Givers Gain." BNI is a member-focused business referral network that works by developing long-lasting relationships with like-minded business professionals, and creates opportunities through referral marketing

BNI | Madison Avenue

and growing business skills. The BNI organizations generated \$16.2 billion of BNI member-referral business revenue in 2020!

The Madison Avenue Chapter of BNI meets in The Toledo Club every Thursday morning at 7:00 AM. The organization appreciates The Toledo Club's convenient central location and its friendly staff. Membership is by application, and there are a controlled number of seats available. If you're interested in visiting or joining the Madison Avenue Chapter of BNI, please reach out to either Matt Lee, the current chapter president, at Mattlee@bex.net or the chapter secretary, Gwen Mitchell, at gwen.mitchell.w310@statefarm.com. You can find additional chapters at bninwo.com/en-US/findachapter.

Toledo Club Toastmasters

Chartered on January 1, 1988, Toastmasters is a combination of proven education programs where members receive effective evaluations that help them build skills at their own pace. This communication and leadership development does not take place in a typical instructor-led classroom and is not limited to a set time frame, like a seminar or conference. The club is open to all interested parties. It meets at The Toledo Club the first and third Fridays of each month at 7:00 AM. For more information, call 419-249-6309. Online attendance is allowed.

(continued on page 10)

The American Legion

The American Legion is a non-profit organization of U.S. veterans established on March 15, 1919 in Paris, France, at a meeting of representatives from all units of the American Expeditionary Force. It was chartered by the U.S. Congress on September 16, 1919 and has been active primarily in U. S. politics on behalf of veterans and service members. Among the founding members were Lt. Col. Theodore Roosevelt Jr. of the First Division, William "Wild Bill" Donovan of the 69th Division and Sgt. Alvin York of Tennessee. It is organized into state, territory and overseas departments made up in turn of local posts. The American Legion Post 335, the "Toledo Post," received its charter in 1921 and has held its luncheon meetings at various places around Toledo until 1958. Since then, the Post meetings have been held at The Toledo Club every Friday at 11:30 AM. The Post Commander is Roger Moore.

Membership is by application but eligibility is restricted to U.S. military veterans who have served during periods of conflict

determined by Congress. Direct inquiries to Post Adjutant Sean Harold at sean.d.harold@gmail.com.

The Torch Club of Toledo

The Torch Club of Toledo is one of 55 local member clubs of the International Association of Torch Clubs in the U.S. and Canada. The IATC was founded in 1925 and the Torch Club of Toledo was chartered in 1927. Its membership consists of widely diverse individuals from the professional community who meet for social interaction and dinner and to discuss stimulating topics of a non-political nature. Meetings are held monthly on the third Monday of the month from September to May.

Membership is by invitation and application. The current president is Mr. James Hartung and the president-elect is Ms. June Rose Galvin.

PARTY IN THE PARKING LOT XXXIV

FRIDAY, JULY 23 2021

By Dave Karmol

We survived the COVID-19 pandemic!

As I write, it's still spring, with lots of showers and some frosty nights, but those days will be long gone by July 23. That's when The Toledo Club transforms our parking lot into the biggest outdoor patio in Toledo, to say good-bye to the pandemic and celebrate the summer season in style.

This year, PPL is back, better than ever, with an amazing line-up of great bands on two stages, the food trucks you love, and a chance to get outside and enjoy a beautiful Toledo summer night with your friends from The Toledo Club. If you missed #33 last year, you are forgiven, as it was dramatically scaled back, with only a few hundred guests permitted.

We're featuring some of Toledo's greatest acts, with music to please every taste.

HERE'S THE LINEUP

Arctic Clam, up first on the outside stage at **6:30 PM**, is a Toledo-based band featuring Toledo's own Nicole Khoury, who has a day job as one of our Muni Court judges. Arctic Clam is known for its community fund-raising as well as its high energy rock music. They claim to crush tunes from Skid Row to Snoop Dogg, and everything in between. They always light up the stage, and we're excited to see them at PPL this year.

Rumours is on the big outside stage starting at **9 PM**. Rumours is a Northeast Ohio Fleetwood Mac tribute band that has been rocking the hits of Fleetwood Mac, Christie McVey, Stevie Nicks, Lindsay Buckingham and Mick Fleetwood since 1997. This is the music we heard through the 70s and 80s that never gets old, and we're super excited to have Rumours as our headline band for Toledo's longest-running summer party.

Ramona Collins and Trez Gregory are two of Toledo's best vocalists, and they will kick off the inside stage in the Red Room at **7 PM**. Ramona and Trez have been rocking the sounds of Motown on their own and with others for over 30 years. They are stylists with style, and they have the kind of presence on the stage that will make you think you're in the presence of music royalty—and you will be! These two together are a real treat and will have everyone in the room feelin' the music.

Another Toledo-based band is **Hear Now!**, consisting of five St. John's grads, including the Club's own Paul Jacoby. Hear Now! is an acoustic band with its own personality and style, and they feature the music we love from the 70s, 80s and 90s (they're happy to take requests). For those who want to relax inside, Hear Now! will entertain into the night in the Red Room starting at **9:30 PM**.

The night would not be the same without the **remarkable beverage service from the exceptional Toledo Club staff**, and this is our opportunity to enjoy their outstanding attention to detail and dedicated service. We appreciate all of our great staff, and never as much as when they're hustling drinks between the bar and the parking lot tables, to keep the festivities hopping.

Food trucks are back, in what is quickly becoming a PPL tradition, as we rely on these mobile delicacy specialists to deliver the food that has made each of them popular around Northwest Ohio. We currently have several returning trucks, along with a couple of new ones, and they'll all be serving up great food to please every palate. **Papi's** will feature stir-fry and signature tacos; **JoJo's** will be there with fresh-made burgers and wings; **BaBa's Eats** will serve up its famous Mediterranean fare; and **Deets** will be there with their smoked barbecue specialties. We're working on a dessert truck as well!

Come out, celebrate summer, support **this year's charity, "Veterans Matter,"** and mark the end of our year of social isolation on the giant, parking-lot-size outdoor patio at The Toledo Club. **Tickets for the event will be \$15**, but the better option is a sponsorship, that comes with "the VIP experience" which includes a separate area closer to the stage, faster beverage service (wine, beer, water and soft drinks included), and an assortment of hors d'oeuvres and veggie trays. **Sponsorships (including the VIP experience) start at \$250 for 4 tickets**, and the higher level sponsorships will have their own VIP tented area. All will include extensive logo and sponsor recognition. 📍

The festivities begin at 6 PM, and go till midnight.

Sponsorships are still available — Contact Tom Baird at tom@toledocpas.com.

Catering AND EVENTS

Taking a Bow

Ladies and gentlemen, as I write this, I'm approaching my last days as your catering director. It is with mixed emotions that I leave this place. I will miss all of you. I truly love this Club. It is a spectacular building with so many lovely members and staff alike. You will all remain dear to me.

As you read these words, you will have a new catering manager in Kathy Nusbaum. Change is a good thing. Change heralds in fresh ideas and a new perspective.

Kathy brings all those things and an unbridled enthusiasm for her new role! She is no stranger to the Club—she's been part of the service team for three years now, bartending and serving at many events. She has also worked in the Oak Room Bar. Kathy will be putting her own event planning background into play as our next Catering Manager. There is so much to come from the fifth floor!

Keep your eyes open for the texts and email blasts for new events, fresh ideas and even more to come! Welcome to your new role, Kathy! We are all excited to have you here.

I bid you all adieu.

The Squash Season is Over (But What a Night We Had!)

On Thursday, May 6 we wrapped up a roller-coaster of a season with a Finals Night that we weren't sure we were even going to be able to host. The evening started with a variety of Club Championship Finals, all of the highest order. It was a busy evening for Scott Libbe who clinched the Winter League Championships for his team — "Not Fast, Just Furious" — captained by Keith Burwell. He then stepped up to grab the 60+ crown against a fierce competitor in the age-defying Riaz Chaudhary. Craig Witherell played very solidly to dispatch the in-form Fazal Zaidi in the 30+ Division. Craig used his speed to full effect and pressured the back two corners relentlessly, resulting in a well-deserved victory. Brett Seymour was another player to have two matches in one evening. Brett competed valiantly against young up-and-comer Christian Berling but fell short; he then regrouped and came back out to take the battle of the heavyweights in the Clydesdale Division against Pete Winovich.

The inaugural English Racquetball final was played out between two great athletes in John Skeldon and Ben Silverman. A bouncier ball paired with Silverman's effortless movement proved too much for Skeldon, who gave everything; but the younger legs triumphed in three games.

The Men's and Ladies divisions played out as the pundits had predicted, but it wasn't through lack of effort from the runners-up. Lori Mack played with a smile and determination against the youngest of the Berling dynasty, Sarah Berling. Sarah won the title in three games and is working hard to become one of the best juniors in the country. Ryan Leslie and Drew Snell rounded off the evening with a display of fast-paced squash, with sportsmanship of the highest caliber. Ryan showed why he is the Club's number one player with a three-game victory and the E Wade Close Trophy.

I'd like to call out the players in the 100% Club who completed ALL of their Winter League matches this season:

Tyson Fankhauser	Ishrat Husain	Dan Peffley	Alicia Huckaby
Bill Wolff	Ben Silverman	Ian Appold	Ed Mackiewicz
Michael Mack	Todd Hoyt	Sara Haynes	Bob Thomason
Drew Snell	Tim Kalucki	Katie Wilson	Gavin Mack
Chad Bolles	Brad Rowe	Lori Mack	Liz Skeldon
John Leslie	Jeff Levesque	Sarah Berling	Amy Shock
Greg Wagoner	Kevin Carmony	Alex Ward	Sydney Schmitt
Fateh Ahmed	Andrew Schaetzke	Dave Shock	Jason White
Nick DeMarco	Zak Husain	Luke Russo	Laura Berling
Nick Stack	Matt Abendroth	Mike Betz	Steph Litle
Eric Croak	Andy Dale	Ben Hildebrand	Charine Mourad
Ryan Leslie	Marty Mohler	Laurie Leslie	Matt Shock
John Skeldon	Joe Clarke	Paul Hertlein	Erin Bajas
Steve Turner	Nick Carmony	Mike McCarthy	Mary Pietras
Christian Berling	Scott Libbe	Robert Bremer	Caitlin McAnall
Nick Huckaby	Matt Darah	Renee Stack	Deb Schmidt
Brett Seymour	Christian Piazza	Tom Baird	

Ryan Leslie (left) battled Drew Snell (right) to a three-game victory to take the A Division championship.

Congratulations also to all of the tier winners:

Tier 12 - Caitlin McAnall	Tier 8 - Laurie Leslie	Tier 4 - Matt Abendroth
Tier 11 - Steph Litle	Tier 7 - Sarah Berling	Tier 3 - Ben Silverman
Tier 10 - Jason White	Tier 6 - Ian Appold	Tier 2 - Christian Berling
Tier 9 - Amy Shock	Tier 5 - Joe Clarke	Tier 1 - Ryan Leslie

In addition to having a 'normal' event at the Club and seeing everyone together, the highlight of the evening for me was the presentation of the Sportsmanship Award(s). The 2020 recipient was Kevin Carmony who is an active squash committee member, an avid competitor who plays with determination and strong character, and is always happy to help. The 2021 recipient (who, as Todd Berman described so accurately during his introduction, is "small in stature but gargantuan in terms of heart, grit, determination and presence") was Kathy Mikolajczak. Kathy is an active board member and a stalwart on the athletic committee, as well as a keen squash player. Congratulations Kevin and Kathy.

Full results for the evening are listed here:

60+ Division	Scott Libbe beat Riaz Chaudhary
50+ Division	Steve Turner beat Andy Ranazzi
40+ Division	Nick Demarco beat Fateh Ahmed
30+ Division	Craig Witherell beat Fazal Zaidi

Life, Liberty and the Pursuit of Health...

We are full swing into the summer months and all the fun that comes with it, which often means more travel, backyard barbecues, and ice cream (yum). Unfortunately, the commitment we made to a healthier, more active life earlier in the year can get put off during these crazy days of summer. I would like to encourage you to consider a “reset” now instead of waiting until summer is over. Remember that our health is a daily, lifelong pursuit. With more daylight hours available, try to embrace the potential of the season and start a new habit or two.

Here are a few ideas:

- > **Drink 1-2 cups of water** first thing in the morning before consuming anything else, including your coffee.
- > Get up early before it gets too hot (apply sunscreen) or head out when it gets cooler in the evening, and take a walk. Try the Monday evening Outdoor Circuit or Tuesday evening Yoga class at the Club. Exercising outside has been shown to promote revitalization, increase energy and even burn more calories. And let's not forget the added benefit of Vitamin D!
- > Visit a Farmers Market—even better, walk to one. **Load up on the local fresh fruits and vegetables**, trying one new-to-you item each time and committing to at least one meatless meal a week. Studies show that people who eat at least 470 grams of fruit and vegetables daily have 10% lower stress levels.
- > Take up a sport, sign up for a race, or register and participate in the Tri One, Tri All Challenge at the Club. This is a great way to stay motivated, from Memorial Day to Labor Day, no matter where you are. You can sign up

[KIDS' CARS ARE WELCOME TOO!]

By Eileen Eddy

an outdoor event is still a plus.

You can come and observe for free, or enter your car or bike for a chance to win the Peoples' Choice or President's Choice trophies. There are door prizes for entrants, and raffles for all. Kids can enter their favorite model car or Hot Wheels for a chance at a special kid's trophy.

So many interesting vehicles showed up last year, from a 1937 Rolls-Royce to a super-charged late model Challenger. They're all fun to look at and learn about. When you walk about and view the entered vehicles, you can be sure to have at least one special memory at the sight of a particular classic car. It may be when you see a 1963 Impala, you suddenly remember sitting in the back while Grandpa drove you

If you missed the Club's Classic Car & Bike Show last year, you missed a good time.

Over 70 years ago, Pebble Beach started a classic car trend. Since then, the classic car show has become an increasingly popular summer event. Recently, the popularity has hit new heights and is enjoyed by more non-owners than ever before. You don't need a classic car or bike to come and enjoy the show. Food, music by Cruisin' Zeake, raffles, and of course cars and bikes on display, and all make for fun day. Also, for the kids we're having a model car/Hot Wheels competition. Overall, the event is a fun one with a festival-type atmosphere. And even though COVID restrictions are a bit more relaxed, the fact remains, an

to the ice cream store. Maybe a muscle car that you rode around in with your school chums, or the 1974 Cadillac land yacht that dad let you drive to the prom. Maybe even the lemon-yellow Austin America that you packed a few too many teens into, while singing at the top of your lungs (I have no idea who would do that). The designs from the past are something to behold; the technology of today, awe-inspiring. To see them, you can learn about pastimes, and the ongoing transformation of transportation. The auto changed the way the American family spent their free time, and expanded our view of the country. It has also been a major part of our history and economy. Jeep means a great deal to Toledo and The Toledo Club. After all, John North Willys' portrait keeps watch in our Founders Dining Room. The auto industry even helped us win wars.

This year will be our third car and bike show. So, if you have a car or bike that you would like to enter, please do so. If not, do consider attending the show. The admission is free to onlookers, and registration for vehicles is \$8 in advance, \$10 the day of the show. Kids can enter their cars for free. I do hope to see many of you at the show. Dig out your saddle shoes, the Brylcreem cream if you're old enough, or your most prized Hot Wheels if you're young enough, and come to the Classic Car and Bike Show on August 21.

Feel free to bring friends. And spread the word—this event is open to the public. 

If you have any questions, please call Eileen Eddy (419-344-2499) or Marlene Uhler (419-260-3872).

We also would welcome any sponsorships, just in case we have not already approached you.
