President's MESSAGE

Doug Kearns, President
419-842-7848 | dkearns@yarkauto.com

Dear Toledo Club Member,

We have kicked off another busy year at The Toledo Club, headlined by some great events taking place. A few noteworthy ones that were especially well received by our members: in January, the Otwell-Parker reunion played to a sold-out house in the Corinthian Room, while Boxing Night returned to the Club in February and was clearly another favorite.

Please read this edition of *Topics* for what March and April has in store at the Club, as we are working to feature more membership events and dining options. This is due in large part to a concerted focus by the chairs of multiple Club committees, other members and the Club's staff, who rolled up their combined sleeves on a chilly January day to set the table for what should be a great March and April at the Club. Included are a few recurring member favorites such as First Tuesday and the ZIPZ Dinner. If you're not making it a point to attend these monthly events, here's what you're missing out on: great menus, a fun evening with member friends, and a wonderful opportunity to meet some soon-to-be *new* member friends. Isn't that what being a member of The Toledo Club is all about?

Also as outlined in our Board of Directors' update to membership that went out in late February, I am pleased to report that the Club has made significant progress in the gathering of information for the strategic and master facilities planning process. A debt of thanks is due to the many members that were willing to make the time commitment to the one-on-one member interviews and/or focus groups that took place with the assistance of the Signature Group. More details will follow as the results of the research become ready to be presented to membership. Believe me, we cannot move through this process quickly enough. But to do it properly, it takes time. We appreciate your patience as we work through the process.

Thank you for being a member and for your continued support.

Doug

DINING AND BEVERAGE Notes

Food and beverage minimums can be reached with food and beverages purchased anywhere in the Club, including takeout orders and wine orders. The amount is calculated by dollars spent before tax (or service charge on banquets). For a tally of purchases that count toward your minimum, log into your online account at ToledoClub.org, and click on "Member Statements."

Take-out is always available for our dinners and for the meals served at events. Simply call 419-243-2200 before noon on the Monday prior. Plus, you can always order take-out from the Tavern menu whenever it's open.

GO-TO DINING

AT THE TOLEDO CLUB

By DAVE KARMOL and EILEEN EDDY

*Amidst a wave of change,
The Toledo Club has three dining
options in our beautiful Founders
Dining Room that you can count on
every month.*

Exciting changes are in the works at The Toledo Club. Our Board is continuing to develop the formula for a Club that can thrive and grow into the future. Part of the formula will be new and more consistent dining options for our members. In the meantime, we thought we would highlight here the Club's existing tried-and-true dining events that are already in place, and can be counted on every month.

Members who have attended the monthly First Tuesday dinners, the ZIPZ Dinners and the Wine and Dine events already know that these gatherings are as reliable as clockwork, and guarantee attendees a great meal, some laughs with friends old and new, and a chance to enjoy the classic service and grand setting of the Founders Dining Room. No place else in Toledo offers the combination of an elegant setting, the assurance of good company, and the fun of discovering new foods and wines as these three recurring Toledo Club events. Those who have not yet made it to one of these events should check their calendars and make it a point to attend one (or all!) over the next few months. Those that do attend regularly would love to share the great experience of these dinners with more Club members.

Let's start with First Tuesday.

This once-a-month dinner is designed to introduce new members to the Club, to other members, and to the fine dining experience of the Founders Dining Room. The event provides an opportunity for our superb Chef Sean to showcase new dishes, for local wine merchants to introduce and sample new or newly-discovered wines, and for our members to re-connect with other members that they may not see as they participate in other Club activities at different times during the week.

As with any fine dining experience, the guests make a reservation for the 6 PM event, and they discover what the entrées are and make their selection upon arrival. Chef has shopped for the freshest and best seasonal ingredients he needs to be able to offer a selection of at least three interesting and often unique entrée options. One will typically provide a new twist on a classic steak or chicken dish. There's always an innovative fish or seafood option, and a vegan or vegetarian option for those who have that preference. If you've attended a number of these dinners, you'll come to know that there's always something for every palate, and the kitchen can accommodate modest variations to meet individual needs. It's always fun to interact with fellow members and discuss which option each has selected during the pre-dinner cocktail hour, when an appetizer or two can be enjoyed with a pre-dinner drink. First Tuesday also regularly features the opportunity to sample a wine or two from one of the Club's fine wine purveyors.

As you might guess, First Tuesday is held on the first Tuesday of every month, except for rare occasions when a conflict or holiday pushes it to the following Tuesday.

“...the food often provides an opportunity to sample a dish that you otherwise might have had to travel halfway around the world to find.”

Add some ZIP to your dining experience.

The second regular monthly dining event is the ZIPZ Dinner, an event that was created by member David Cameron, in collaboration with former member Art Bronson, as a way to add extra “zip” to the Club’s dining experiences. The evening starts at 5:30 PM with a cocktail half-hour before guests take their seats for dinner. The unique element of the ZIPZ format is that each dinner involves a member, or a member family, collaborating with the Chef to bring a favorite family dining experience to life, in the form of a buffet.

While most dinners feature a particular food theme or national heritage as the focus, the key element is that Mr. Cameron asks the member host to take the microphone before dinner and describe the stories behind the featured entrée and side dishes, and their significance to the family. So it could be a German or Polish or Scottish meal, with elements that were brought over from the European elders of the family, or perhaps a meal that became a tradition as a result of a marriage, or any other family events that may have made the dish special. The stories are always interesting, and the food often provides an opportunity to sample a dish that you otherwise might have had to travel halfway around the world to find. The entire evening turns out to be a great way to get to know other Club members and the rich history of fellow Toledoans. And as a bonus, since the ZIPZ dinner is a buffet, the price is quite often a little easier on the budget than some full-price dinners in the Founders Dining Room.

Enjoy a bottle of wine with your dinner.

After a long hiatus, the Club's Wine & Dine dinners are back, and are the most recent addition to the monthly dining opportunities in the Founders Dining Room. Starting in March, Wine & Dine will return to a format much like that of the original event, with a set price for the entrées on that evening's menu (which you would know at the time you make your reservation). But unlike First Tuesday and ZIPZ, this dinner features a seating time that *you* request, which makes it perfect for dining with others, or for enjoying a relaxing dinner at a private table, at a time that works with your busy life.

As the name Wine & Dine indicates, in addition to a fantastic set-price dinner, you get a delightful wine pairing as well. For every two dinners, the meal includes a bottle of wine which has been chosen for the night. (Special pricing will be available for individuals.) And not to worry—if you don't drink the entire bottle of wine, a system for sealing the bottles will be available, so that you may take any remaining wine home with you.

Three high-quality entrées (including a vegetarian option), all Chef's imaginative creations, will be available to select from. Also included will be a starch side, a vegetable and a bread option (unless the entrée is a combination dish of protein and starch). A dessert will be offered for a set additional charge.

The original Wine & Dine always offered a high-end experience in a relaxed atmosphere. With its set evening of Thursday just before the weekend, it was that perfect time to enjoy a delicious meal and share a bottle of wine, a time to unwind and enjoy an evening in the most beautiful dining room in Toledo. Now that this dining concept has returned to the Club, isn't it time to make this a monthly to-do on your calendar?

Take advantage of these go-to dining events!

Despite the staffing and supply challenges the Club has faced over the last two years, the trio of recurring dinners in the FDR—First Tuesday, ZIPZ and Wine & Dine—continues to provide members with a variety of dining experiences they can count on. As management works to make the dining and events schedule at the Club more reliable and robust, be sure to give one—or all three—of these regular monthly dining events a try. You won't be disappointed! 🍷

JANUARY 12 / Photos by KURT NIELSEN

Memorial Tournament Wrap-Up

We (the squash committee) decided to move the historic Memorial tournament a month later into the squash season to January. Our thought process was that January has typically been a slower squash month, and

that it would give players an extra three to four weeks of play to be in peak shape. The Memorial Tournament is a special event—entries are by invitation only and spaces are for the top 32 men and top 16 women in the Club. The divisions are named in honor of Toledo Club members that are no longer with us. This year's divisions were named after Nanci Effler, Harry Mack and David Snell.

The dinner that follows the finals is one of my favorite evenings of the season. It's where people share stories of the three division honorees as well as some of their own stories of what they love about the sport and the Club. There was, of course, some fantastic squash, but this event isn't about that. It's about the memories and the stories.

Sarah Berling, who is turning into a prolific winner at just 13 years old, was up against a new face in the finals in Rachael Betz. Rachael's athleticism is impressive and she covered the court well in the final. Berling's technical ability and shot placement was too much, though, as she ran home with a victory and another Memorial Championship.

The Harry C Mack Division was hotly contested this year, with tight matches from the get-go. This year's final was the match of the event. Ian Andrews and Kevin Carr battled hard for the first two games, with Andrews narrowly winning both. With his back against the (back) wall, Carr came out fighting and managed to tie the encounter 2-2 with some ferocious power and athleticism. The fifth game was tight all the way until Carr pulled away to 9-6 and then 10-8. Andrews fought back with two incredible outright winners to tie the match at 10-10. Carr held one more match ball before Ian again came up with the goods to produce some fantastic shot-making and take the encounter and the Harry C Mack Division.

The David R Snell Division finalists need no introduction, both are fantastic representatives of Toledo Club squash and have provided high-quality finals aplenty. Rich Effler took an early lead in game 1 with measured and accurate squash, and seemed to take Drew Snell a little by surprise. At 9-4 to Effler, Snell made a visible effort to pump himself up and play more aggressive. Snell fired off a couple of winners and, aided by a couple of Effler tins, the game was tied 9-9. Drew played calculated, powerful squash to finish Effler off in game one and never looked back. The second and third games were a little more one-sided, with Snell stepping up and dominating the T, coming out victorious 3-0. Drew earned an emotional and meaningful victory in taking the David Snell Division title.

February 4 Glass City Team Challenge

Since its inception in 2020 the Glass City Team Challenge has been a popular event amongst the squash program. It's our only internal team event of the season (outside of the Winter Squash League) and features a unique format whereby teams of three must have a combined tier total of 22 or more. Players get a chance to compete against people they might not normally play against in a straight-up format which provides drama from start to finish. This year's champions, 'The First Entrants,' spearheaded by team captain Chad Bolles, were solid from start to finish. Evan Bunis and Fort Padua proved to be stellar picks from captain Bolles, with both players performing above their current tiers. In the final, 'First Entrants' took down 'Team Finesse' for the title. Here are the full results:

Chad Bolles beat Andrew Dimartini 2-1

Evan Bunis beat Paul Hertlein 2-1

Fort Padua beat Kristen Berry 2-0

TC Football (Soccer!) Club Update

New this season was a Toledo Club soccer team competing in an indoor six-a-side league at Maumee Indoor. More of a club-within-the-club, this has been a lot of fun and a great way for members to meet fellow members away from the squash courts. While the first session of the league hasn't given us the results we'd hoped for, it sure has been a lot of fun. Thanks to everyone for taking on the challenge!

(From left): Kyle Dodd, Paul Hertlein, Austin Paterwich, Andrew Jamieson, Nate Baird, Eddie Charlton, Dave Shock and Sam Rumpf. Players not pictured: Kevin Leininger, Adilson Jardim, Ian Appold, Rolf Sandberg, Zak Wilburn, Luke Russo, Justin Skiver and Andrew Dimartini.

The Toledo Club Plays Host to MJTSS Area Teams

The Midwest Junior Team Super Series was formed to give local kids new to squash more fun and competitive playing opportunities within driving distance. We hosted around 30 kids from RacquetUp Detroit, Cleveland Racquet Club, The Birmingham Athletic Club and of course The Toledo Club. The event also carries a coveted trophy that was won this time around by The Birmingham Athletic Club. The next event is later this month, and we're going to do our utmost to get our hands on the trophy!

The winning team from the Birmingham Athletic Club hoists their trophy.

Now is the Time to Get Stronger and Healthier

We have been busy over the winter months in the Fitness Department at The Toledo Club becoming stronger and healthier in 2023! But if you haven't made that commitment yet, it's never too late to make a decision to get involved. The first step is always the hardest, but it's when we tell ourselves we can do it!

In January and February, we had an amazing amount of pounds lost by members participating in The Big Ugly weight loss challenge. Participants concentrated on proper nutrition and exercise, including a private Group Training and weekly nutrition tips from Jacquelyn Jones, Certified Health Coach/Vegan Chef and owner of SolFood Collective. We will be celebrating our participants' success towards the end of March, so keep an eye out for details, and if you know of anyone who participated, wish them a "way to go!" for making their health a priority.

Indoor Triathletes Competed on January 28

This year's 8th annual Indoor Triathlon was organized by our very own **Melissa Shaner**. Over 50 members and non-members enjoyed a fun morning competition of running, biking and swimming, which included seven relay teams. After the race, everyone enjoyed pizza and refreshments in the Tavern. Prizes were awarded to the first place relay team of **Todd Berman, Todd Hoyt and Kevin Carmony**; first place female **Christine Chandler**, second place **Alicia Huckaby** and third place **Cassie Elieff**; first place male **Nick Huckaby**, second place **Rich Effler** and third place **Kyle Dodd**.

Indoor Triathlon participants (from left): Nick Huckaby, Alicia Huckaby, Ally Effler, Rich Effler and Bethany Dale.

More Triathletes: Mary Brullard, Anastzja Cliff, Luke Russo, Mike Noble and Kyle Dodd.

LET THE MADNESS BEGIN!

Spring brings back the ever-popular **March Madness fitness challenge** where you form a team of four people and earn a chance to shoot the hoop for every 10 minutes you or one of your teammates work out (by playing squash, using the fitness center or pool, or taking one of our fitness classes). This is a great time to check out the classes we offer here, such as spinning, yoga, water aerobics, and our popular Fusion classes. Please use Club Locker to sign up for a class; to register for personal training or any of our monthly wellness programs, please email Lynette at fitness@toledoclub.org.

HERE ARE THE DETAILS:

March Madness Fitness Challenge! March 14–April 3

Get a team of four together for a fun and competitive fitness challenge. For every 10 minutes that you work out at the Club, you get one shot.

The team with the most points at the end wins!

OFFICIAL RULES:

- Workout must be done at the Club, which includes using the fitness center or pool, playing squash or taking a fitness class.
- For every 10 minutes you work out, you get to take one shot from your choice of the one-, two- or three-point line.
- Maximum two hours of working out per day.
- Only four practice shots allowed.
- Record your points on the board.
- Teams must be made up of four participants.
- The team with the most points accumulated by the end of the final day (April 3) wins bragging rights **and a \$25 dining voucher for each member of their team!!**

Stop in to see Lynette, call her at 419-254-2990, or email her at fitness@toledoclub.org to register your team of four.

Four For Fore is back in March!

Returning in March by popular demand is **Four For Fore**. This is a fun, total body workout addressing all the major components in golf: balance, strength, power, flexibility, and endurance, while targeting muscles in the golf swing. This four-week program, starting March 6, will be offered Monday evenings at 6:45 PM to help you become a stronger golfer while preventing injuries. Please contact me for more information or to register. Spots are limited so register soon!

I encourage you to get outside, take a walk, and enjoy the warmer weather and sunshine!

See you at the Club-

Lynette

Reverse Raffle

JANUARY 14

Last summer, the athletic committee tossed around the idea of having a reverse raffle at the Club. The main idea behind having this event was to have a really unique and fun event for members and non-members. Reverse raffles by nature raise funds, so another reason was to raise some money for the Club's foundation. Thanks to a lot of time and effort from the raffle committee, we were able to accomplish just that.

The night was full of winning, drinking shots from an ice luge, playing blackjack, watching Eddie and Tron run around in oompa-loompa costumes, and great camaraderie. The grand prize was \$8000, which was divided up equally by the five remaining raffle ticket holders. Others walked away with gift cards, sporting event tickets, fishing packages, golf packages, condo packages, and more.

A huge thank-you to all of our members who donated the above-mentioned items, as well our sponsors. The event could not have been what it was without your generosity. And another huge thank-you to the raffle committee consisting of **Eric Croak, Charine Croak, Nella Shock, Eddie Charlton, and Brandon Rodriguez.**

I'm happy to say that the 2024 Reverse Raffle is already in the works, and we are looking forward to building upon a great initial event. – *Event Chair Jim Burnor*
